Headline:
Fine and dry tonight. A settled week ahead.

This Evening and Tonight:
A mostly cloudy but fine and dry evening for all. Cloud breaking a little, giving clear spells for some overnight. A few mist and fog patches possible. Feeling a little cooler than recent nights. Minimum temperature 9 deg C (48 deg F).

Tuesday:
Early mist and fog patches quickly clear, leaving another fine and dry day. Cloudy at times, though spells of warm sunshine likely. Maximum temperature 23 deg C (73 deg F).

Outlook for Wednesday to Friday:
Conditions remain mostly fine and dry throughout this period. Feeling warmest on Wednesday with temperatures peaking in the sunshine, however lowering on Thursday as cloud develops. Friday brings sunny spells.
